

# OreCAP Announces Normal Course Issuer Bid

26.03.2024 | [Newsfile](#)

Toronto, March 26, 2024 - [OreCAP Invest Corp.](#) (TSXV: OCI) ("OreCAP" or the "Company") is pleased to announce that it has received conditional acceptance from the TSX Venture Exchange (the "TSXV") to conduct a Normal Course Issuer Bid ("NCIB") to purchase for cancellation, during the 12-month period starting April 2, 2024, up to 23,316,772 of the outstanding common shares of the Corporation (the "Common Shares"), representing 10% of the Public Float (as defined by the TSXV). The program will end on April 1, 2025 unless the maximum amount of Common Shares is purchased before then or OreCAP provides earlier notice of termination.

OreCAP believes that the market price of its Common Shares may not reflect their underlying value and the Board of Directors has authorized this initiative because, in the Board's opinion, the proposed purchase of Common Shares pursuant to the NCIB constitutes an appropriate use of OreCAP's funds, and the repurchase of its Common Shares is one way of creating shareholder value.

The purchase and payment for the Common Shares will be made by OreCAP through the facilities of the TSX Venture Exchange or alternative trading systems. Beacon Securities Limited has been selected as OreCAP's agent for the NCIB. The price paid for the Common Shares will be, subject to NCIB pricing rules contained in securities laws, the prevailing market price of such Common Shares on the TSX Venture Exchange at the time of such purchase. OreCAP intends to fund the purchases out of available cash and working capital.

To the knowledge of OreCAP, no director, senior officer or other insider of the OreCAP currently intends to sell any Common Shares under the NCIB. However, sales by such persons through the facilities of the TSX Venture Exchange may occur if the personal circumstances of any such person changes or any such person makes a decision unrelated to these NCIB purchases. The benefits to any such person whose Common Shares are purchased would be the same as the benefits available to all other holders whose Common Shares are purchased.
