Vancouver, June 4, 2024 - [Midnight Sun Mining Corp.](#) (TSXV: MMA) (OTC Pink: MDNGF) (the "Company" or "Midnight Sun") is pleased to announce the appointment of Margot Naudie to the Company's Advisory Board.

Al Fabbro, Midnight Sun's President & CEO, stated: "On behalf of the directors and management, I would like to welcome Margot to our team. I believe her depth of capital markets experience, specializing in natural resources, will be invaluable as we move our Solwezi Project forward. 2024 has already been a pivotal year for Midnight Sun. We have unveiled our two-fold attack plan: a significant earn-in with KoBold Metals and working together with First Quantum Minerals to aggressively explore two separate target areas, to unlock the tremendous value that we believe exists at Solwezi - and we are well financed to execute this vision. To complement these plans, we have continued to advance our organization by adding team members that I believe are top talents in our industry. We look forward to working with Margot, to her insights and the contributions she will make, as we advance our Zambian copper assets."

Ms. Naudie stated "Throughout my career, I have had the opportunity to evaluate, advise, and invest in projects the world over. It is a rare opportunity to have a project located in a top mining jurisdiction, surrounded by world-class mines and operators, with the right geology and multiple discoveries to date. I believe that Midnight Sun has all the key pieces in place, and I am incredibly pleased to be a part of both this team and this outstanding project."

Ms. Naudie is currently the President of Elephant Capital Inc. She has more than 25 years of capital markets experience with expertise as a Senior Portfolio Manager for North American and global natural resource portfolios. She has held senior roles at leading asset management firms including TD Asset Management, Marret Asset Management Inc., and the Canadian Pension Plan Investment Board. She was cited as a Brendan Wood TopGun Investment Mind (Platinum) for five consecutive years. Margot has a Bachelor of Arts in Politics and Economics from McGill University, an MBA from Richard Ivey School of Business, and is a Chartered Financial Analyst (CFA) Charter holder.

## About Midnight Sun

Midnight Sun is focused on exploring our flagship Solwezi Project, located in Zambia. Situated in the heart of the Zambia-Congo Copperbelt, the second largest copper producing region in the world, our property is vast and highly prospective. Our Solwezi Project is surrounded by world-class producing copper mines, including Africa's largest copper mining complex right next door, First Quantum's Kansanshi Mine. Led by an experienced geological team with multiple discoveries and mines around the world to their credit, Midnight Sun intends to find and develop Zambia's next generational copper deposit.
