VANCOUVER, Jan. 29, 2025 - [Argenta Silver Corp.](#) (TSXV: AGAG) ("Argenta" or the "Company") is pleased to announce that Frank Giustra, a major shareholder and strategic supporter of the Company, has increased his ownership stake in Argenta to 15.09% following the purchase of 2,500,000 common shares (the "Shares") of the Company in the open market. This acquisition reflects Mr. Giustra's continued confidence in Argenta's vision, leadership, and exploration potential.

Frank Giustra, a highly regarded entrepreneur and philanthropist, is well known for his strategic investments in the resource sector. His significant contributions to the mining industry and deep understanding of the junior exploration market have positioned him as a trusted and influential figure. Mr. Giustra's increased position in Argenta further reinforces his belief in the value of the Company and the Company's flagship El Quevar Project in Salta Province, Argentina.

Frank Giustra remarked: "My decision to increase my holdings in Argenta reflects my strong belief in the Company's vision to unlock the value of high-potential silver assets and its disciplined approach to exploration. With the growing demand for silver, Argenta is uniquely positioned to deliver significant value. The El Quevar Project hosts an Indicated Resource of 45.3 million ounces of silver at a grade of 482 g/t Ag and an Inferred Resource of 4.1 million ounces of silver at a grade of 417 g/t Ag⁽¹⁾, ranking it among the top three undeveloped silver deposits in Argentina.
