

# Auric Minerals Signs Option Agreement for Uranium Assets in Quebec

04.02.2025 | [Newsfile](#)

Vancouver, February 4, 2025 - [Auric Minerals Corp.](#) (CSE: AUMC) ("Auric" or the "Company") has signed an option agreement for the previously announced letter of intent, giving the Company an option to earn 100-per-cent interest in three prospective uranium properties, Caboose, Kawip and Manic; all located in accessible regions of Quebec.

Chris Huggins, CEO states, "With the execution of this option agreement, Auric reinforces its commitment to growth through its Eastern Canada exploration strategy. Driven by the increasing global demand for uranium as nuclear energy becomes a key alternative to fossil fuels, Auric is strategically positioning itself as a leading early-stage exploration company. These three new properties in Quebec, a premier mining jurisdiction, significantly expand Auric's portfolio of highly prospective uranium assets and, combined with recent acquisitions in Labrador's Central Mineral Belt, demonstrate the company's commitment to Eastern Canada.

## Option Terms

Auric Minerals can earn the right to 100% interest to the Caboose, Kawip and Manic properties located in Quebec, following a total value payment of \$300,000 over two years. Within ten days of executing the definitive agreement, \$50,000 cash will be paid; a guaranteed \$25,000 cash or equivalent value Consideration Shares (based on 10 day vwap) payment will occur on or before the first (1) year anniversary date. To continue the option, a \$75,000 cash or equivalent value Consideration Shares (based on 10 day vwap) is to be paid on or before the first (1) year anniversary date. On or before the second (2) year anniversary a \$150,000 cash or equivalent value Consideration Shares (based on 10 day vwap) will be paid. On completion of these payments the company will have earned 100% interest in all three properties.

## About the Company

Auric is a mineral exploration company based in Oakville, Ontario and holds options over the Route 500 and Bub Uranium Properties in Labrador, and the Goodeye Property in British Columbia, Canada.
