

Global Battery Metals Ltd. Announces Completion of 10:1 Share Consolidation

26.02.2025 | [The Newswire](#)

[Global Battery Metals Ltd.](#) (the "Company" or "GBML") (TSXV: GBML; OTCQB: REZZF; Frankfurt: REZ), an international critical mineral exploration company focused on growth-oriented lithium, copper and battery metal projects, announces that further its news release of February 19, 2025, the Company is now in the position to complete the consolidation of its issued and outstanding common shares on the basis of one (1) new common share (a "Post-Consolidation Share") for every ten (10) currently-outstanding common shares (the "Consolidation"). The Company's common shares will commence trading on the TSX Venture Exchange ("TSXV") on a Post-Consolidation basis effective market open on March 3, 2025 (the "Effective Date"). The Company's name and trading symbol will remain unchanged.

On a pre-Consolidation basis, the Company has 78,539,280 issued and outstanding common shares and, following the Consolidation, the Company expects to have 7,853,927 common shares issued and outstanding. No fractional Post-Consolidation Shares will be issued. If, as a result of the Consolidation, a shareholder would otherwise be entitled to a fraction of a Post-Consolidation Share, each fractional share following conversion that is at least one-half (1/2) of a Post-Consolidation Share will be rounded up to the nearest whole number and each fractional share that is less than one-half (1/2) of a Post-Consolidation Share will be cancelled. No cash consideration will be paid in respect of fractional shares.

On the Effective Date, the Company's new CUSIP number for its Post-Consolidation Shares will be 37958K208 and the new ISIN will be CA37958K2083. Letters of transmittal describing the process by which shareholders may obtain new share certificates or Direct Registration System (DRS) advices representing their Post-Consolidation Shares will be mailed shortly to registered shareholders. Shareholders who hold their shares through a broker or other intermediary and do not have shares registered in their name will not be required to complete a letter of transmittal. The letter of transmittal will also be filed under the Company's profile on SEDAR+ at www.sedarplus.ca.

The exercise price and number of Post-Consolidation Shares of the Company, issuable upon the exercise of outstanding securities convertible into Post-Consolidation Shares will be proportionally adjusted upon the effective date of the Consolidation in accordance with the terms thereof.

About Global Battery Metals Ltd.

GBML is an international mineral exploration and development company with a focus on lithium, copper and other metals that comprise and support the rapid evolution to battery power. GBML currently maintains economic interests in four battery metal projects: (1) an option to acquire up to a 90% interest in the Leinster Lithium Property (which is the subject matter of the Settlement Agreement); (2) an option to acquire an additional six licenses contiguous to the Leinster Lithium Project from Tancred Resources, covering 249 km² adjacent to the Knockeen Lithium Pegmatite Project; (3) a 100% interest in the drill-ready Lithium King Property in Utah; and (4) a 55% stake in Peru-based Lara Copper Property, which has over 10,000 metres of drilling.
